

Due Friday April 4th 2014 in class

Name (Last, First) _____ Nickname _____

Major: _____ Program: _____ Years in Program: _____

Applied areas of interest: sport health government environment transportation
 other (please specify) _____

Grade in prerequisite courses: ST512 ____ or ST552 ____

I know how to use: (check any that apply): Dropbox git latex markdown SQL

R expertise: (check one)

- apprentice I have used it for at least a few months and have successfully completed a small project using it.
- intermediate I have used it for a year or more on a daily or regular basis, and I am comfortable using it in moderately complex projects.
- advanced I have been using it for many years, know all of the basic aspects, and am comfortable using it as a key element in complex projects. People come to me with their questions.

Times unavailable for group work. In the spaces below, please cross out the times when you will *not* be available to work outside class on assignments with your group. Mark only genuine conflicts, such as with classes, job and family responsibilities.
